

ORQUIDEARIO LANDIVARIANO

Guía de identificación de orquídeas

Epidendrum difforme

Maxillaria praestans

Maxillaria scorpioidea

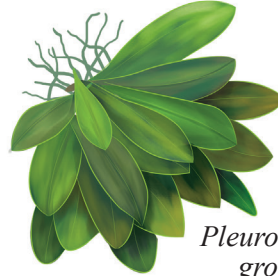

Pleurothallis cardiothallis

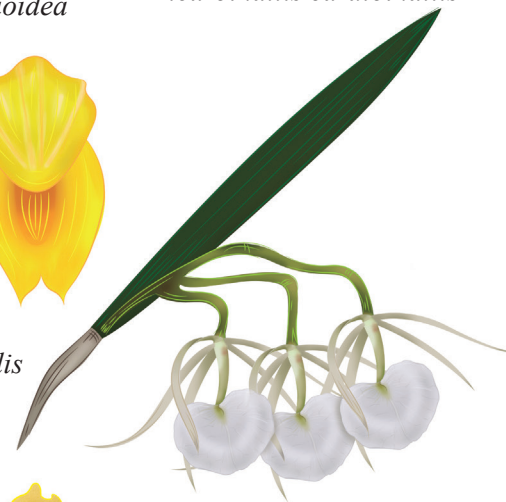

Maxillaria tenuifolia

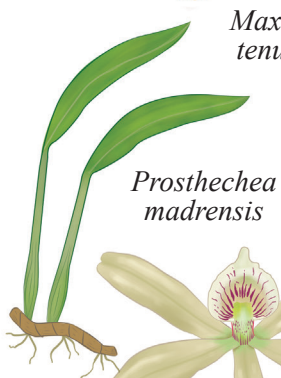

Maxillaria variabilis

Pleurothallis grobyi

Brassavola nodosa

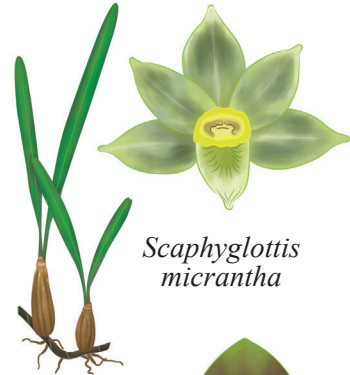

Prosthechea madrensis

Sobralia macrantha

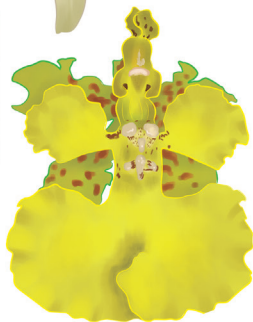

Stanhopea oculata

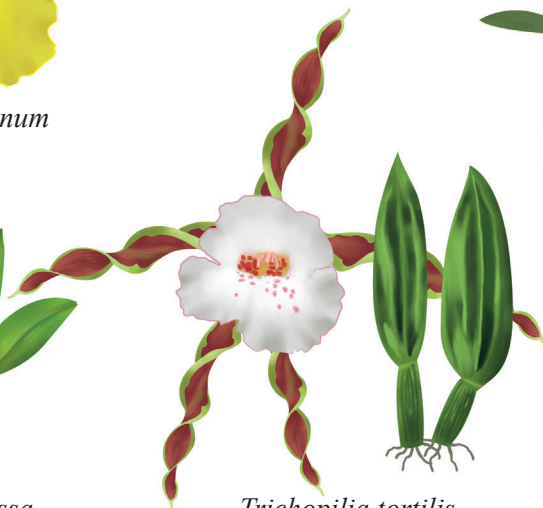

Scaphyglottis micrantha

Trichocentrum cavendishianum

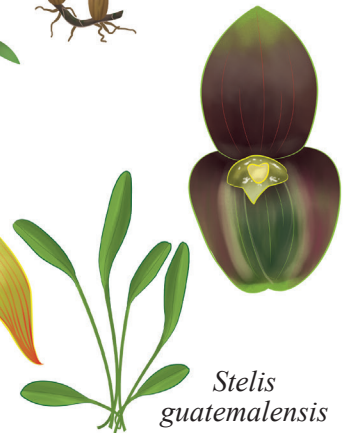

Stelis pachyglossa

Trichopilia tortilis

Trigonidium egertonianum

Stelis guatemalensis

*Brassia
verrucosa*

Encyclia cordigera

Epidendrum ciliare

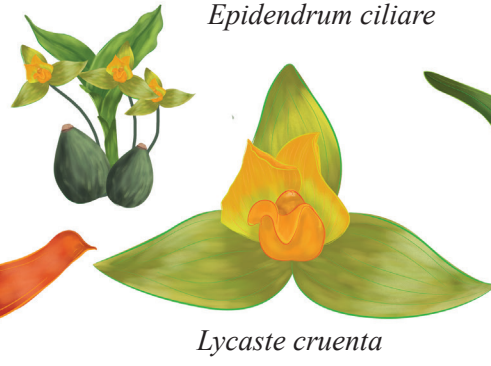

Epidendrum radicans

Gongora cassidea

Guarianthe aurantiaca

Lycaste cruenta

Maxillaria densa

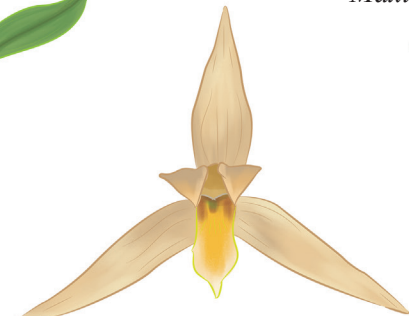

*Maxillaria
elatior*

Maxillaria pulchra

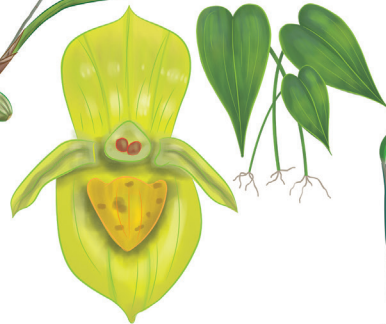

Nidema boothii

Prosthechea brassavolae

*Oncidium
leucochilum*

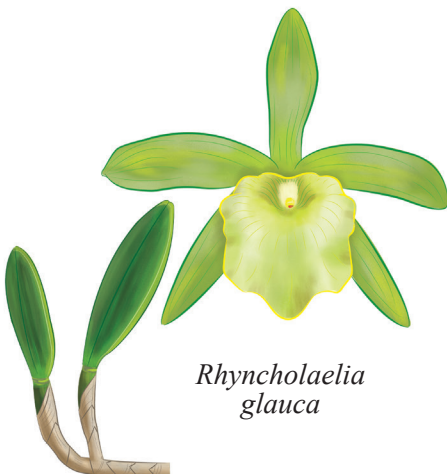

*Pleurothallis
correllii*

Scaphyglottis crurigera

Prosthechea ochracea

*Rhyncholaelia
glauca*

Rossioglossum grande
